Fiorida, where cotton is grown, and the loss to the farmers will be heavy.

## FOREIGN POTATOES.

The Crup in Scuttand to short the Same as Over Here.

WASHINGTON, Oct. 10.—Considerably more than half a million dellars worth of potatoes, weighing \$1,745 tons, we brought from Scotland to the United States in nine months ended last June, and this too, notwithstanding a pro-toctive duty of 25 cours per trashel on imported potatoes. This fact is set out in a report to the state department by U. S. Consul Savoge, at Dundee, Scotland. Nothing but the best potatoes, magnum benume and Bruces, are shipped to America. The price at the nning of the season was \$11,55 ton f. \alpha b., exclusive of cost of the sacks—thirteen sents each. The freight from Dandee to New York was 2.83. The consultreports that the outlook for this season's business is uncertain. than last year, less of the export brands have been planted, and the crop has unflered from frost and rain, all pointing toward higher prices. On the other hand, the reduction of the tariff on potatoes by our new tariff not from 25 rapected rise in price of patatoes ow-ng to me own short crop, may largely acrease shipments from Scotland.

Los ANGRESS, Cal., Oct. 10. - Judge Ross has rendered an important decision in the case of Lee Young, a regis tered Chinaman, who went over the Mexican line for a few days, and on his rn was arrested and taken before the United States commissioner, who ordered him to be deported. The judge holds that a registered Chinaman who happens to cross over into another untry for business or pleasure is not bject to arrest and deportation on

In Danger of Reing Lynched.

MINGRAM, Ala., Oct. 10.-Robin Smith, a Negro, made an attempt to secult Annie, the 16-year-old daughter of A. J. Martin, a prominent and well of A. J. Martin, a prominent and well to do farmer living near Greensboro, Monday night. He slipped into her room, secreted himself under her hed, and, after she had gone to alcep, she cass awakened by something pulling her foot. She saw the Negro and guised an alarm. He leaped through a the Negrowascaptured Tuesday night. Excitement is running high, and he may be lynched in a few hours.

Private San, Oct. 10 - With a foot held in a vice-like grip by a milroad frog.
